This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement N° 649720

WE ARE LOOKING FOR
IDEAS
TO IMPROVE THE ENERGY
EFFICIENCY OF THE
FIRE STATION

The City Council of València takes great pleasure in inviting you to the first Market Sounding Prospectus for energy efficiency refurbishment of the Central Fire Station

The City Council of València, through the Fire Department Service and Las Naves Foundation, is launching its first public procurement procedure of innovation. **A market sounding prospectus is the first step towards generating the technical dialogue stage** amongst the economic and innovation operators who are interested in participating.

The objective is **the improvement of the Central Fire Station in terms of comfort**, with a view to enhancing the welfare of its employees by implementing **innovative solutions**, maximising energy efficiency and fulfilling the unmet needs of the building.

Under the umbrella of the EU CEPPI Project, this procurement has a **budget of 100.000 euros for the necessary actions to be carried out over a two-year period.**

WHO CAN PARTICIPATE?

This open public procurement is addressed to natural and legal persons, and public and private entities.

FOR FURTHER INFORMATION, PLEASE JOIN US AT OUR INFORMATION WORKSHOP

The information workshop will take place on **27th of February 2018 (11.30h-15h)** at the Central Fire Station (Avda. La Plata, s/n). This event will provide an ideal opportunity to get an understanding of the challenges that need to be addressed. All interested parties are also invited to take part in a *networking* workshop.
